Notes on the Objectives of Research in the Field of Addictions and the "Present State of the Art"

Dietary Caffeine Increases Ethanol Consumption in Poorly Nourished Rats

The Time to Combine: Epidemiological Similarities of the Use and Abuse of Alcohol and Other Drugs

Community Development: An Innovative, Creative and Practical Approach

Changes in Drug Use in Toronto High School Students Between 1972 and 1974

Halfway Houses for Skid Row Alcoholics: A Search for Empirical Evaluation

An A.R.F. Response to Police Concerns

Whiter Theological Education in the 70s?

Drug Education - Where Do We Go From Here?

The Incidence of Alcoholism in Families of Alcoholics as a Consequence of Behavioural Dependence and Interdependence: A Preliminary Statement

Pharmaceutical Aspects of Controlled Double-blind Clinical Studies

A Search for a Means of Reducing Problem Drinking, and Aiding the Problem Drinkers, in a Senior Citizens Home (Lambert Lodge - City of Toronto Progress Report at the End of One Year)

The Randomized Response Technique: A Test of the Procedure and the Validity of Self-reported Drug-use

The Oshawa Drug Study Frequency and Patterns of Drug Use Among the Young People of Oshawa

Changes in Drinking Age and Per Capita Beer Consumption in 10 Canadian Provinces
#642  G. Toombs  A Statement on Community Development and Role of the Community Worker in the ARF 1974

#643  North Bay Centre  Utilizing Students in the Presentation of Drug Education at Silver Birches Senior Elementary School, North Bay

#644  E. J. Larkin  Dropout from Treatment: Conflict and Motivational Inversion

#645  P. C. Whitehead  The Structure of Evaluation Research: Some Special Aspects of Studies on Alcohol

#646  R. G. Ferrence  An Assessment of the Family Camping Course: A Joint Project of the Orillia Office of ARF and Georgian College

#646  J. Ball
