Welcome to the RxTx Mobile App!

As part of the Health Science information Consortium of Toronto to RxTx3, we are pleased to provide you with your own personal access to the RxTx mobile App!

To get started, please go to www.pharmacists.ca/register4rxtx, enter the Organization Code: 0021432 and complete your registration. Once complete, you can go to the Apple/Google Play App Store from your smartphone/tablet and search for RxTx Mobile. Once installed, enter your email address and the password created during registration. This step is only required the first time the app is opened.

RxTx Mobile app features:

- CPhA evidence based, peer-reviewed monographs covering more than 300 drugs, including valuable guidance on off-label uses.
- Health Canada advisories and alerts posted within 48 hours of issue.
- Up to date – CPhA’s team of experts continuously scan the Canadian drug information landscape for new drugs, new evidence on existing drugs and drug products, and critical safety updates.
- Content available both on and off-line.
