Videos— Off-site access to our Resources

We now have short video tutorials on how to access some of our resources from home! Learn how to access OVID, Cinhahl, ProQuest, Access Medicine, Natural Medicines, and Psychiatry Online. The videos are available on our Nursing subject guide at https://guides.hsict.library.utoronto.ca/nursing/videos

Library staff are presenting a poster “Taking the pulse of our clinicians“ and giving a presentation “Translating clinical research to the bedside with the mobile tool MDPPhD” at the Canadian Health Library Association in June.
